

CHAPTER VII.

The Answer.

The answer formerly consisted of a complete, literal and substantial answer to the Interrogatories of the Bill. There are now no Interrogatories to the Bill, (except in Bills for Discovery, as to which the practice is peculiar,) and the answer may be as short a statement of the defence as the Defendant may think proper to put in. The answer must be filed within one month—twenty-eight days,—the first being inclusive, and the last exclusive after appearance, unless further time be granted, which may be done under certain circumstances on application to the Master as provided by the following Orders. The Order, by which the form of the answer is now governed, is the 27th Order of 1850.

Eight days to
amended Bill.

A Defendant is to answer or demur, not demurring alone, to any original bill or bill amended before answer, within one month after appearance thereto has been entered by or for him, or from the time of amendment, as the case may be. Where the Plaintiff amends his bill after answer, any Defendant desiring to answer the same must put in his answer thereto within eight days after service of the Subpœna to answer the amended bill, or within such further time as the Master may allow; and a Defendant, being served with Subpœna to answer an amended bill, praying an injunction to stay proceedings at law, and desiring to avoid a motion for an injunction on affidavit of the truth of the amendments, has for that purpose only eight days after service of Subpœna to answer, within which he is to answer or demur to such amended bill.
