CHEAP
CASH
STORE.

—ooo—

ON, and after the Opening of the Navigation this Spring, the Undersigned intends conducting his business entirely on the Cash principle; and by this means will be enabled to afford goods to his Customers at Ten per Cent below the usual selling prices in this City. To those at all conversant with business, especially the Dry Goods Trade, an explanation of the means by which this reduction can be effected, is quite unnecessary; while the fact will be the best proof, and is the one which he will tender his customers. All accounts over nine and twelve months standing, if not settled by the 1st of May next, will be given to a Lawyer for collection.
