MRS. WINSLOW,
An experienced Nurse and Female Physician presents to the attention of mothers. her

SOOTHING SYRUP
For Children Teething.

Which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action. and is SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and,

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and *can say in confidence and truth* of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its virtues. We speak in this matter "what we do know," after ten years' experience *and pledge our reputation for the fulfillment of what we here declare*. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered. The valuable preparation is the prescription of one of the most EX-

MRS. WINSLOW'S SOOTHING SYRUP.

PERIENCED and SKILLFUL NURSES in New England, and has been used with never failing success in THOUSANDS of CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, AND WIND COLIC, and overcomes convulsions which if not speedily remedied, end in death. We believe it the BEST and SUREST REMEDY IN THE WORLD, in all cases of DYSENTERY AND DIARRHOEA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints,—*do not let your prejudices, nor the prejudices of others* stand between your suffering child and the relief will be SURE—yes. ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS. New York, is the one outside wrapper. Sold by Druggists throughout the world Principal Office No 13 Cedar St. New York.

Price only 25 Cents per bottle.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S
Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERUPTIVE and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "*impurity of the blood*" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills,
FOR ALL THE PURPOSES OF A FAMILY PHYSIC.

are so composed that disease within the range of their action can rarely withstand or evade them Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac containing certificates of their cures and directions for their use in the following complaints: *Costiveness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice*, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral
FOR THE RAPID CURE OF
Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefit on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

THE ONLY
Preparation

Having proofs so strong and direct as to EXPEL THE DOUBTS OF ALL.

For Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite, in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore. Read the following:

Oak Grove, S. C. June 24th, 1859.

Prof. O. J. Wood: Dear Sir: Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test:

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative which I have every reason to believe, produced a very happy result: two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I flatter myself to say, is not a little.

You can publish this if you think proper.

Yours, very respectfully,
M. J. WRIGHT, M. D.

Office of the Jeffersonian, Philippi, Va, Dec 12 h, 1858.

Dear Sir: I feel it my duty as well as my pleasure, to state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth, so much so, that he was compelled to wear a wig. He was induced to use a bottle of your 'Hair Restorative' which he liked very much and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentlemen's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents.

Yours, &c.,
THOMSON SURGHNOR.

Dr Wood: Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color: about the time of my arrival in the United States it was rapidly becoming gray. but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable.

S. THALBERG.

The Restorative is put up in bottles of three sizes viz.. large medium and small: the small hold ½ a pint and retails for one dollar per bottle; the medium holds at least twenty per cent more in proportion than the small, retails for two dollars per bottle: the large holds a quart. 40 per cent. more in proportion, and retails for $3 a bottle,

Important Testimonial to the Efficacy of Keeting's Cough Lozenges in relieving Pulmonary Affections.

DAWLISH, Jan. 14, 1858.

SIR,—The very excellent properties of your Lozenges induce me to trouble you by another Testimonial on their behalf. All I can say is that I have been more or less Consumptive for upwards of three years, and have tried a great number of Lozenges to abate the Cough, but from none have found such relief as from yours—even one of them will check the most violent attack. They are invaluable, and I strongly recommend them to persons suffering from a Cough or Cold on the Chest. Pray make any use of this you please if worth your while. I am, Sir, your obedient servant,

THE high and envied celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. IN ALL CASES OF *Asthma, Acute and Chronic Rheumatism, Affections of the Bladder and Kidneys, Billious Fevers and Liver Complaints.*—In the south and west, where these diseases prevail they will be found invaluable. Planters, Farmers and others, who once use these medicines, will never afterwards be without them.

DYSPEPSIA—No person with this distressing disease should delay using these medicines immediately. *Eruptions of the Skin, Erysipelas, Flatulency, Fever and Ague.* For this scourge of the western country these medicines will be found a safe, speedy and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent.—*Try them, be satisfied, and be cured*

MERCURAL DISEASES.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.
