HAMILTONIANS AT OTTAWA.

A Delegation Asks for a Bridge Over Burlington Canal.

(By our own Reporter.)

Ottawa, June 29.—F. MacKelcan, Q. C., Thomas Morris, jun., and M. D. Nelligan, of Hamilton arrived in the city this morning. They are here to interview Sir John Thompson and Hon. J. A. Ouimet, the Minister of Public Works, in regard to the building of a bridge across the Burlington Canal; also to have a light placed at the west end of the piers, and a bell buoy at the east end of the piers. The delegation also brought to the attention of the Ministers a number of improvements on the canal. They pointed out that the place was a great summer resort, and now was the time for the Government to go on with these improvements if they were to be done this season. Mr. McKay, M. P., told the Times that the Minister of Public Works has already recommended to the Council an appropriation for the bridge. The matter concerning the height, Mr. McKay says, was also considered sometime ago and it was to be done. There are other minor matters in connection with the delegates' visit which will probably be satisfactorilly settled.

Hon. L. H. Davies, the Liberal leader in the Maritime Provinces, left for his home at Charlottetown, P. E. I., last evening. He will not return this session.

Mr. Davies, who was called away on Supreme Court business, did some excellent work for the party and the country during this session. He is one of the hardest workers, as he is one of the ablest lieutenants of the Liberal leader, Mr. Laurier.

J. F. Lister, M.P., returned to his Parliamentary duties to-day.

The Minister of Militia to-day received a letter from Mr. Mulock, stating that the latter intended to-day, if the House went into Supply, to move a resolution in regard to Kingston Military College. Mr. Mulock intends pointing out how the Government has diverted the whole object which the Military Department had in view in establishing a military college at Kingston, for the purpose of giving them patronage, to the prejudice of the militia, and to the great expense of the country.

The Colonial Conference met in secret conclave in the office of the Minister of Trade and Commerce this forenoon. All the delegates were present. Hon. Mackenzie Bowell was appointed President of the Conference and Sir Adolphe Caron was appointed Vice-President. It is understood that the whole of the forenoon session was taken up with the work of organization. Mr. Bowell read a very carefully prepared basis, in which it was proposed that the Conference should proceed. This was adopted. On this basis it was arranged that the question of the Pacific cable should be taken up on Monday next.

A resolution was also passed expressing sympathy with Mr. Bowell, owing to the death of his son-in-law, Mr. George McCarthy. The funeral takes place to-morrow in Belleville, and Mr. Bowell leaves for there to-night. The delegates being tired after last night's banquet, decided to adjourn for to-day at half-past one o'clock.

J. L. Payne, private secretary for Mr. Bowell, and Douglas Stewart, private secretary to Sir John Thompson, were appointed joint secretaries of the conference.

A STORY FROM LONDON.

It is About Lady Aberdeen and Comes by Way of New York.

Lady Aberdeen, so it is said, had herself driven to a music store in London, where she selected the latest compositions—Cowen, Leoncavallo's "Berceuse," Sullivan's symphonies, in fact all the pieces en vogue at the present time. The handsome lady appeared to have finished her purchases. As she laid a gold piece on the counter: "Oh, I beg," she said to the music clerk, whose heart was fluttering under the glimmer of her pretty eyes; "Oh! I beg let me have 'One kiss before we part.'" "Wha—wha—what?" faltered the clerk, who expected anything but that. "'One kiss before we part,' repeated the pretty purchaser in a most winning tone of voice. Could he withstand this seeming plea! No! Casting a furtive glance about the shop, he closed his eyes, shot out his arms, drew the elegant head of the handsome woman toward him and pressed a luscious kiss on her lips. A cry, a sound like a slap on the cheek, a commotion, a scene. The clerk was dismissed on the spot; no excuses were accepted. In the court followed a sequel—the Countess complained on account of the kiss, which gave her great offence—the clerk sued for damages for the loss of his position.

The first case is decided against him and his own suit dismissed. At an appeal he won the first case, as it was held that his action toward Lady Aberdeen was the result of her irresistible charms. His complaint, however, was dismissed by the gallant judge, who remarked that the kiss was a sufficient remuneration for all the losses he may have met with. Both parties were satisfied with the verdict. Lady Aberdeen is said to even feel proud of it. As to the clerk—hm, he is to-day the most popular clerk in the British Empire.—New York Musical Courier.

BEVERLY'S APPEAL.

County Council Dealing With the Assessment Question.

The County Council held a special meeting this morning to consider the appeal of Beverly township from the assessment as made at the last session of the Council. There were present Warden McClure, Councillors A. J. and J. H. Binkley, Cochrane, Combs, Dyment, Garrock, Gwyn, Henderson, Hopkins, Lowden, Marshall, Martin, Nicholson, Reid, Renton, Stock and Wardell.

A communication from Osler, Teetzel & Co., solicitors for Beverly Township Council, was read, giving notice of appeal from the county assessment of $37 per acre, and offering to settle at a valuation of $35, otherwise the matter to be decided by the county judge.

Councillor Henderson, of Beverly, spoke at some length on the appeal. He stated that property generally throughout the township had suffered considerable depreciation in value. He called attention to the fact that there were no railway centre or prosperous villages in Beverly. The long distance from markets also contributed to reduce the value of farming lands in the township. The people of Beverly were strongly opposed to the recently fixed rate, and he believed that $34 per acre was a fair average of land values throughout the township. Land in the centre of Beverly was worth from $15 to $20 an acre, that in the north $30 and in the south $50 to $55.

Councillor Wardell, of Dundas, differed with the representative of Beverly, and after considerable comparison of land values throughout the township, Councillor Stock suggested that the Barton, Beverly and East Flamboro' be raised $2 per acre in the assessment, and the other townships $1 an acre. The last arbitration of a similar nature cost the county $1,000.

Councillor Henderson refused to agree to anything more than an increase of $1 in the old assessment of $34.

Councillor Wardell moved, seconded by Councillor Reid, that Mr. R. R. Waddell be instructed to defend the assessment in the arbitration.

Councillor Nicholson was in favor of an amicable settlement of the matter.

Councillor Henderson said his offer of $1 increase per acre meant an increase of $70,000 in the total assessment of the township.

Councillor Nicholson offered as a compromise to make the assessment $36, Councillor Henderson agreed to accept $35.50, and after another member suggested $35.75, the Council adjourned for lunch.

Mr. Geo. H. Mills, President of the Wentworth Pioneer and Historical Society, wrote to thank the Council for the grant of $100 as a prize for the best short history of the county of Wentworth and the old Gore district.

A FELT WANT.

Hamilton's Crying Need for Another Newspaper to be Supplied.

It is currently reported that Mr. W. W. Buchanan, who advised the prohibitionists of West Hamilton to stay at home on election day, has a new project on hand, no less than the establishment of another daily paper in Hamilton. He has six promises of $1,000 to start with, and his scheme includes the erection of a handsome building. History repeats itself. Another temperance daily called the Tribune was started in Hamilton once upon a time. Its owners also began by erecting a building. The paper soon died from an overdose of bosses, and the common stockholders lost their investment. People who have money to waste, now that times have again become flush, will hand it over to W. W. B. and let him show them how soon he can dispose of it.

BANKRUPT STOCK.

The entire stock of $15,000 worth of choice dry goods, millinery and carpets will be cleared out regardless of price, as it was bought at 62c. on the dollar. Saturday will be the grand opening day at No. 9 Market Square, and to make it and succeeding days red letter days in Hamilton we are making some tremendous sacrifices. Ladies will do well not to overlook the grand opening days, as never will they have the chance to secure good goods at such prices again. Remember the address, The Bankrupt Stock Syndicate, No. 9 Market Square.

DUFFIELD FLOWER MISSION.

Donations sent to the Duffield Flower Mission during the month of May and June were as follows: Mrs. J. H. Somerville flowers, Mrs. Stuart, Inglewood, flowers; Mrs. Charlton, oranges and flowers; Mrs. Calder, flowers; Mrs. Barker, papers; Mrs. McIlwraith, flowers; Mrs. Fraser, flowers; Miss Gillespie books and papers; Public Library, magazines; Friends, flowers; Mrs. Billings book; Mrs. Gunn, flowers; Mrs. Carey, strawberries and flowers; Mrs. W. D. Robinson, flowers; H. S. Hurd, Barlington, flowers.

SHE SLEW SIX TIGERS.

It is said that the most noted shot among English women is Lady Eva, wife of Captain Wyndham Quin, heir-presumptive to the Earl of Dunraven. She has killed, so the report goes, no less than six full-grown tigers from the frail shelter of a howdah.

THE GREATEST RACE MEET

Scores of Fast Horses at the Track Already.

POPULAR FOR THE LADIES.

The greatest race meeting ever given in Canada will open at the track of the Hamilton Jockey Club to-morrow. The races promise to be immensely popular, the directors feeling assured, from the large number of enquiries about ladies' tickets, that the style and beauty of Hamilton will be present. Ladies will be admitted free.

The horses are already arriving in large numbers. This morning Mr. J. C. Hamlin's string arrived, numbering 24, and including the great pacer Robert J, and the trotter Fantasy, that are to cut the Canadian records on Tuesday; Nightingale, the grand mare that is matched to go against Mr. R. C. Stinson's Geneva on Monday, and 21 others. Geneva also arrived this morning, and Vitello (2.12 1-4) got in from Rochester.

Monday's match race is attracting great attention. Geneva, Mr. Stinson's crack, is a ch.h. by Leland, he by Hambletonian (10), dam Bessie Forest, by Edwin Forest. He has a mark of 2.14. Nightingale is a ch.m. by Mambrino King, dam Minnequa Maid, by Wood's Hambletonian. Her mark is 2.10 1-2.

THE SHEEPSHEAD RACES.

New York, June 29.—The weather at Sheepshead yesterday was very pleasant. The track was dusty but fast. Dobbins went a mile in 1.40 flat, which is within two-fifths of a second of the track record. The great Long Island handicap developed a terrific driving finish in a superb contest between Sir Walter and Roche. Sir Walter, only by the most gallant of efforts, succeeded in winning by a nose. Lowlander, in this event, was left at the post. Copyright and Regan are among the winners of the day.

BABETTE A WINNER.

Orangeville, June 29.—The second day's races of the Orangeville Turf Club were a great success. The race of the day was the 3-4-mile run. Piasano and Beefeater finished together in the third heat. Summary:

DOMINION DAY CRICKET.

The Galt Cricket Club has sent word that it has been unable to get up a team to meet Hamilton on Monday next, so that the Hamilton Cricket Club will have only one match on. That will be with the London team, and will be played in this city.

THE TENNIS TOURNAMENT.

Fast play and exciting contests were the order of the day at the Hamilton Tennis Courts yesterday. A large and enthusiastic crowd enjoyed the several events, which resulted as follows:

Men's singles—H. R. Barnard beat P. Alexander, 4-6, 6-3, 8-6; E. F. Lazier beat C. H. Beard, 6-2 6-2; E. G. Glassco beat R. Moreton by default.

The finals in all the events will be played off next Tuesday afternoon.

GAUDAUR WANTS TO ROW.

Toronto Globe: Champion Sculler J. G. Gaudaur, of Atherley, is in town on his way to Boston, where he will row in the Fourth of July regatta on the Charles River. Gaudaur is much disappointed at the failure of Sullivan, the New Zealander who holds England's chapionship, to respond to his offer for a race. "He said he was willing to meet anybody on the Thames," said Gaudaur, "but when I accepted and asked him to put up his forfeit money he does not come up in a month or two and talk about rowing in midwinter. My offer was laid before him on June 1st, but he has not answered it yet. I will row Stanbury, too, on the Thames, if he will get there before October, for the championship and as big a stake as he wants. He would not row in America last year because he had no backer to put up his share of the stake. He ought to be able to find backing to row in England, and he has a chance now, if he means business, and is willing to row on neutral water." Gaudaur and Durnan will leave for Boston to-morrow, and the big champion will have a spin over at the island today.

JUNE WEDDINGS.

LOWE-BUTLER.

A very pretty wedding took place yesterday afternoon at the residence of Mrs. Butler, Brantford, being the marriage of her only daughter, Stella, to Mr. George Lowe, Hamilton, Ont. The bride was attired in a rich brown traveling dress and was unattended. The ceremony was performed by Rev. D. Hutchinson, pastor of Park Baptist Church. The bride was the recipient of a number of handsome presents, among which may be mentioned a silver water pitcher and server from the choir of Park Church, of which she has been a leading member for a number of years, also of a handsome Bible from the teachers and officers of the Eagle Place Baptist mission, where she was a teacher. The bride is well and favorably known in this city, while Mr. Lowe is the senior member of the firm of Lowe & Farrel, electrical supply merchants, Hamilton. The happy couple left on the 4 o'clock train for eastern points, after which they will reside at No. 152 Market street, Hamilton. They carry with them the best wishes of a large circle of friends.—Expositor.

IN HYMEN'S BONDS.

A most enjoyable event took place at the residence of Mr. and Mrs. Geo. Towers, Locke street north, last evening, it being the marriage of their daughter Annie to Mr. Edward Stove. Rev. J. G. Shearer, in whose church the bride was a highly esteemed worker, performed the ceremony. Miss Alice Towers, sister of the bride, acted as bridesmaid, and the bridegroom was supported by Mr. Robert Taylor, of Niagara-on-the-Lake. The bride looked very attractive, dressed in cream, carrying a magnificent bouquet of roses. The bridesmaid was also attired in cream, and carried a bouquet of sweet peas. The ceremony over, the guests sat down to a sumptuous supper, after which a pleasant evening was spent. The large number of handsome and costly presents received by the bride testified to her popularity among her many friends and acquaintances, who wish both her and her husband every happiness.

A BEAUTIFUL WEDDING.

Miss Bessie Munro, of St. Thomas, and Dr. M. J. Mullock, of Binbrook, were married at the residence of the bride's parents on Wednesday night last. It was a brilliant affair. Mr. Lockhart J. Mullock was groomsman. Miss Blanche Munro and Miss Grace Awrey were bridesmaids, and the little twin nieces of the groom, daughters of Mr. James Eager, of Waterdown, were the maids of honor. The ceremony was performed by her father, the Rev. A. H. Munro. The presents were magnificent. The bride's gifts to her maids were a gold and pearl fleur-de-lis pin. The groom's presents to the bridesmaids were silver bouquet holders, and to each of the maids of honor a gold bracelet. The bride was dressed in white silk, trimmed with pearl passementerie and Irish point lace and the customary veil, carrying a bouquet of bridal roses, tied with moire white ribbon. The bridesmaids wore pink crepon gowns and the maids of honor white mull, and their bouquets were pink and white carnations. After the collation was served the happy couple left on a trip up the Saguenay, via Hamilton, Toronto, Montreal and Quebec, accompanied by the best wishes of their many friends. Among the guests were Mr. N. Awrey, M.P.P., and wife, Dr. and Mrs. McGregor, Waterdown; Mr. and Mrs. Judson Barlow, Mr. W. Barlow, Miss Barlow, Mr. and Mrs. Dunham, Mr. and Mrs. J Watt, and Miss Copp, of Hamilton.

Pay a Compliment to an Old Hamilton Boy.

The Winnipeg Free Press of June 25th contains the following. The Mr. G. McL. Brown mentioned is a son of Postmaster Brown and son-in-law of Mr. John Crerar, Q. C., of Hamilton:

Yesterday the distinguished Australasian visitors spent the morning in the various churches of the city, and employed the afternoon, accompanied by ployed the afternoon, accompanied by B. Scarth and F. W. Buchanan in driving about the city and visiting Sir Donald Smith's place. After dinner, in the reception rooms at the Manitoba Hotel, in the presence of a large number of guests, Sir Henry Wrixon complimented Mr. G. McL. Brown, district passenger agent of the C. P. R. at Vancouver, on the pleasure and general satisfaction which his attention and care had given the delegates in their journey from the coast and presented him with an engrossed address to that effect. The address was as follows:

Dear Sir,—We, the delegates from Australasia to the Ottawa conference, hearing that you intend to part company with us here, desire to place on record our high appreciation of the great attention shown to us by you during our journey from Vancouver. The difficulties caused by the recent flood damage to the railway line imposed on you considerable trouble and much worry, but your excellent management of the arrangements made for our comfort left nothing to be desired, and on behalf of the ladies of our party, and for ourselves, we ask you to accept our very grateful acknowledgments. As a memento of our very agreeable association with you, we will ask you to accept a souvenir that will be sent from Ottawa, and the ladies will ask Mrs. Brown to do them a similar favor. We wish you both every happiness and prosperity. We remain, etc., F. B. Suttor, H. J. Wrixon, N. Fitzgerald, Simon Fraser, A. Lee-Smith, A. J. Thynne.
